

TWENTY DOUGLAS CARS MAY ENTER BIG ROAD RACE

INTEREST IN INTER-CITY CONTEST FOR TEN-MILE TROPHY GROWING Apace

"It is reported that twenty cars are getting ready to enter the Douglas-Phoenix road race. Among them will be Pierce-Arrow, Packard, Fiat, National, Apperson, Hudson, Ford. Local people are very enthusiastic. Will raise additional \$750 to make purse two thousand instead of twelve hundred fifty. Expect to make this great event for contesting cities. The above telegram was received yesterday by C. H. McArthur from Warren Fisher, manager of McArthur Brothers at Douglas. It indicates that things are speeding up for the Douglas-Phoenix automobile road race, to be held November 13, the opening day of the state fair. Warren McArthur, superintendent of automobile speed for the 1916 state fair, is informed by their Tucson office that the race promotion has made considerable progress there, with the possibility of a goodly number of entrants. "It looks like a big race," says McArthur. "Many drivers are getting their cars in shape in all the speed-famous towns along the borderland route."

which will be followed exclusively by the race. Interest in Phoenix among the automobile men is very keen, and there should be a larger field than in any previous fair week road races. Various towns throughout the state are getting ready to enter cars in the 10-mile track race for the individual city 10-mile trophy, and there should be a great deal of interest taken in both the speed trials and final race. There will be thirteen cars started in the final of this race, which cars will be the thirteen making the fastest time in two or three speed trials for qualification. "Clark Hollingsworth, who has been named as starter for the road and track races, has been making a flying trip over the southern territory, drumming up interest in the contest. His assistants will be named this week and with an additional number of live wires working on the races, the arrangements will progress rapidly. The track races, featuring a 10-mile free-for-all for drivers and cars from Arizona, New Mexico and Texas, will be held Saturday, November 18.

GEERS SEES HIS OWN PACER WIN F. F. A. PAGE

[Republican A. P. Leased Wire] COLUMBUS, O., Sept. 27.—Out of the hospital for the first time since his accident of a week ago today, Edward Geers was a spectator at this afternoon's Grand Circuit races during which his Napoleon Direct scored another free-for-all pacer victory. Roan Hal won the Board of Trade pacer stake in straight heats, but the 2:08 track was not finished, Miss Perfection taking the fifth heat away from Allie Watts that had divided the other four with Bonington. Five of the pacer miles of the afternoon, during which a heavy wind hindered the horses going away and also all the way through the last quarter were in better than 2:02. The last mile of the free-for-all was the fastest of the lot, being in 2:03. With Hal boy beside him, Napoleon Direct did his first half in 59 seconds and the three quarters in 1:23.4. The winner was favored at \$100 to \$10 over the entire

GEARY WORKING HIS GANG TO THE LIMIT

Coach Geary and his staff spent another busy evening yesterday. That is to say, the red and black gridiron candidates had an exciting session lining up and going through the paces. Meanwhile the back-field job seekers didn't loaf. Their main occupation consisted of signal practice and tackling, while the second squad took turns at the tackling dummy. Coach Geary hasn't started to bother his head about his few veterans yet and is now spending his time chiefly in separating those new men who can play football from those who think they can. As a result all the youngsters are doing active work. Aside from the showing of several, the most conspicuous feature of the evening's program was the display of "heat" which has so often been lacking. About eight lads who should make over 150 pounds were on hand. Latte, a star for the past two years, and captain of the team, held down the center position and used his weight effectively. Right now it looks as though he has the making of a regular football player, and Coach Geary isn't leaving any men of that stamp remain idle around the red and black camp. The only setback the high school has received lately has been in the form of a parental complaint, as a result of which Jewitt was forced to discard his molehills. Coach Geary foresaw the making of a player in him and intended to use him at the pivotal position. The loss of Jewitt will be no small one. The luminaries of Wednesday's workout were Hultz, Irvine, Detweiler and Alkire. Irvine demonstrated that he is besides other things a tackler, and his tackling was not abashed to Geary. During the last few practices P. H. S. has had a weak tackling squad. Alkire appeared to have a knack of getting the runner by one toe and upsetting the latter's equilibrium so suddenly he doesn't get right away. Caldwell is the greenest-looking football player on the squad. However, Roan Hal was the first choice of the Board of Trade starters but Miss Harris M. did not go unbacked.
